- Bulk production up to 1 kg

InVivo BioTech Services GmbH is a leading European biomanufacturer with ISO 9001 and ISO 13485 certification. We have been a Bruker company since 2017.

For more than 25 years, InVivo has been committed to supporting academics and industries with our competence, expertise, and reliable products.

We're here to support you and give you the confidence to bring your ideas to life with greater efficiency.

Cancer is a leading cause of death worldwide and poses a significant financial burden for countries globally, according to the WHO. Scientists and pharmaceutical companies are continually developing and advancing therapies to improve the lives of cancer patients. As such, the pipeline for cancer monoclonal antibody therapies is rapidly expanding.

We are dedicated to providing optimized solutions and high-quality products to make your research in oncology faster and easier - Because, like you, we firmly believe a cure is within reach.
